MESSAGE FROM THE DEPUTY VICE-CHANCELLOR OF UTM

On behalf of Universiti Teknologi Malaysia (UTM), I am pleased to welcome you to Malaysia and Asia's leading research university in engineering science and technology. UTM is dedicated to providing the best academic, research, and outreach programmes to help you succeed in your future career.

Good English proficiency is a prerequisite for all international students planning to study in Malaysia. Thus, students without a strong background in English will be glad to know that UTM has partnered with ELS Language Centres, the leading English language training provider for university-bound students. Since 2015, ELS has helped our international students to build a solid English language foundation with their effective Certified Intensive English Programme (CIEP), which is recognised by the UTM Senate as a standard of English for admissions.

Both UTM and ELS value academic excellence and quality education, and ELS has demonstrated this commitment with international accreditation from the National ELT Accreditation Scheme (NEAS Australia) for their in-person and online instruction for the CIEP.

Most conveniently, you can now find ELS within UTM Skudai. I am confident that their on-campus centre will help streamline the admissions process for our international students.

To prospective and incoming students, we hope to see you in Malaysia soon! You have many things to look forward to - our state-of-the-art campuses, a supportive UTM community, and many incredible, uniquely-Malaysian wonders to explore!

Prof. Sr Dr. Hishamuddin Bin Mohd Ali

HOW DOES ELS COMPARE TO THE CEFR & IELTS?

The CEFR (Common European Framework of Reference) is a set of guidelines developed by the Council of Europe which describes foreign language ability at six different levels of proficiency: A1, A2, B1, B2, C1 and C2. The CEFR is also recognised by the Malaysian Ministry of Education as a language standard and is also used as a benchmark for IELTS and TOEFL®.

In 2016, an analysis of ELS Levels and the CEFR was conducted by Second Language Testing, Inc. (SLTI), a leading language assessment company. In the analysis, SLTI reviewed the ELS level objectives, materials and assessments for all four skills: listening, speaking, reading and writing. Below is a summary of how the ELS Levels correlate to the CEFR and subsequently, IELTS.

COMPLETED ELS LEVEL	CEFR	IELTS
109	B2	5.5 - 6.5
108		
107	B1	4.0 - 5.0
