THE ELS LEGACY – FROM PARENTS TO CHILDREN.

Such is the confidence our former students have in ELS that they have entrusted us with helping their children master English too.

"What I loved most about my time here wasn't just learning English – but making so many international friends, especially from China and Saudi Arabia. The teachers at ELS are so warm and patient. I'm really thankful for everything, and I hope ELS continues to shine!"

Hii Lu Yung & Gabriel Wong Chen Yi
(Mother & Son) ELS 1992 & 2025

"I have fond memories of ELS. I studied here 10 years ago, started at Level 101 and completed Level 109 with a Gold Certificate. After ELS, I went on to earn my degree in engineering at UNITEN and now work as a biomedical engineer at Abbott. I've since recommended ELS to many family members like my cousins, and now my nephew, because I truly believe it's the best place to start. Thanks to ELS, we'll all have great journeys ahead."

Yazid Banafa & Banafea Abdullah
(Uncle & Nephew) ELS 2015 & 2025

"I was a student at ELS back in 2002 after SPM. Completing Level 106 gave me a strong English foundation I still benefit from today. In 2024, I enrolled my daughter at ELS. Her English vocabulary and confidence have grown so much, and she has made many new friends from around the world. I'm truly grateful for the positive impact ELS has had on both of us."
