MESSAGE FROM THE VICE-CHANCELLOR OF UTM

It is my pleasure to welcome you to Universiti Teknologi Malaysia (UTM), one of Asia's leading research universities in Engineering, Science, and Technology, with a reputation for innovation and academic excellence. As you begin this new chapter, we are committed to supporting your journey every step of the way.

Strong English skills are essential for every UTM student. Since 2015, our partnership with ELS has helped students build this foundation through the Certified Intensive English Programme (CIEP), recognised by MoHE as the national benchmark for university admissions. ELS is internationally accredited by NEAS Australia, ensuring you receive the highest standards of English language training, and is conveniently based on our Johor Bahru campus, making your admission journey smooth and simple.

To all our prospective and incoming students, we look forward to welcoming you soon. Get ready to enjoy our campuses, join a supportive community, and create lifelong memories at UTM.

**PROFESSOR TS. DR. MOHD SHAFRY
BIN MOHD RAHIM**

ENGLISH LANGUAGE PARTNER OF UTM

Since 2015, ELS has been a trusted partner of **Universiti Teknologi Malaysia (UTM)**. Located on UTM's main campus in Skudai, Johor, ELS UTM offers students an English learning experience within one of Malaysia's top public universities, renowned for its excellence in Engineering, Science and Technology.

RECOGNITION FOR ADMISSIONS

- ✓ The only English programme officially **recognised by Malaysia's Ministry of Higher Education (MoHE) for university admissions.**
- ✓ Thousands of students have met UTM's English requirements through CIEP — no IELTS, TOEFL, or PTE needed.
- ✓ Direct pathway to UTM through CIEP. **Students can join their faculty in just 1 – 2 semesters.**

OUR INTERNATIONAL ACCREDITATION

ELS is endorsed by NEAS, a globally-recognised body that provides quality assurance monitoring and accreditation of English Language Teaching (ELT) providers.
