

Enhance your job prospects and employability by improving your communicative skills. Learn how to communicate your thoughts, ideas and knowledge more effectively at ELS Language Centres.

“56% of over 3000 employers surveyed viewed poor command of English as a reason for not hiring.”
JobStreet.com, 2012

The Communicative English Programme (CEP) is a unique programme that fulfils the language learning needs of working adults. Using a learner-centred communicative approach, the programme offers a special focus on the dynamic integration of vocabulary, reading, listening, pronunciation and communicative functions.

Join the programme and communicate fluently and confidently in English.

Programme Features:

- Learner-centred communicative approach
- Active listening and speaking to improve fluency and accuracy
- Practice using appropriate conversational English skills
- Vocabulary development for everyday use
