What Will You Learn?

- **Structure & Speaking Practice**
Learn to communicate accurately and effectively in English through fun classes that teach Listening, Speaking, Vocabulary and Grammar.
- **Reading & Writing**
Develop your reading comprehension, increase your reading speed and develop key writing abilities.
- **Customised Learning Support (CLS)**
Small group of classes where teachers will focus on your learning needs to allow you to become more confident in English.
- **Assignments and Group Work**
Your learning will be supplemented by assignments that allow you to practice applying your new language skills with new friends.

Effective Remote Learning with Real-Time Instruction

The CIEP Online combines face-to-face virtual classes with collaborative learning and interactive digital resources on the ELS online learning platform. Our experienced instructors will monitor your progress daily and provide feedback and guidance.
